

RESOLUTION
**Round-table "Dreams, Ideas, Goals: Opportunities for
Self-realization of Young People in Today's World"**

August 12, 2021. Moscow

The participants of the Round Table are leading experts in politics and social activities, representatives of youth and volunteer organizations. Following the results of the discussion, exchange of experience and opinions on issues of self-realization of youth, talent development of young people of Greater Eurasia, as well as discussion of initiatives related to these issues, we consider it necessary to suggest:

1. Recognize the special importance and value of realizing the potential of young people in Eurasia as a guarantee of a better future for the countries of Greater Eurasia;
2. Develop joint work activity areas relevant for the youth of the EAEU countries, the CIS and the countries of Greater Eurasia;
3. Create a working system of personnel reserve in the EAEU space, hold on a regular basis events, round tables, job fairs aimed at solving the problem of employment of qualified young specialists;
4. Recognize the successful experience of ANO "Russia Country of Opportunities" in the implementation of projects aimed at developing the potential of young people;
5. Create a cultural, informational, innovative, digital and resource platform serving as the basis for youth activities aimed at sustainable regional development of the countries of Greater Eurasia;
6. Recognize the successful experience of the School of Kindness of Yuri Kuklachev in the development of programs aimed at finding and developing the young talents;
7. Create a single information space for the exchange of experience in solving local problems, conducting election campaigns at all levels, attracting young people to active public and political life;
8. Assist in the development of youth self-government systems in the post-Soviet space and in the countries of Greater Eurasia, support the initiatives related to the development of youth self-government;
9. Create communities of young people - foreign students of higher educational institutions of Greater Eurasia countries in order to facilitate integration and establish the necessary social ties in the host countries; recognize the successful and necessary experience in the implementation

of these issues by the Association of Russian Students Studying Abroad (China).

10. Create a single information and resource center to coordinate the actions of youth organizations of the countries of Greater Eurasia;
11. Assist in the formation of a positive image of Russia in the post-Soviet space and in the world, development of the social and political power of the EAEU countries in the world;
12. Organize the development and implementation of the joint response of youth organizations of Greater Eurasia countries to international events. Carrying out joint actions aimed at strengthening peace, harmony and good neighborliness throughout the territory of the countries of Greater Eurasia;
13. Counteract the involvement of young citizens of the CIS and Eurasian States in anti-Russian social movements, prevention of anti-Russian and anti-integration activities of various organizations;
14. Oppose the falsification of the history of peoples inhabiting the post-Soviet space;
15. Promote moral development of youth and oppose negative influence of the media on the younger generation at the legislative level;
16. Increase social mobility - horizontal and vertical, creating equal opportunities for self-realization of youth.
